

8.00am-8.30am Registration

8.30am-9.00am Expert Teacher Panel

The first session will include an official welcome to the conference, join us with an exciting panel experience for primary teachers, run by primary teachers. All members of the panel understand the challenges and opportunities of the HPE classroom. Aiming to build connection pathways while allowing you to hear from like-minded teachers and develop your practice; this morning's panel session seeks to champion leaders and inspire all learners. Keep your eyes peeled for what's in store.... more details to come....
