PRODUCTS

Unit/s 1, 2 and 3 & 4 available

Produced and distributed by ACHPER Victorian Branch

ACHPER Victorian Branch engages teams of leading teachers in the respective subjects to write each of the VCE® Level Trial Examination resources. A select panel then reviews each resource for quality control.

This vital resource will familiarise teachers and students with the Victorian Assessment and Curriculum Authority (VCAA) exam format (*VCE® exam format reproduced with VCAA permission*). Teachers are able to use the resource as revision for students, a stand-alone assessment tool or to develop practical exam skills.
